

## CAPABILITY STATEMENT

TrainerConnect is a B2B and B2C education consultant that specializes in customized training material for public and private enterprises in manufacturing and healthcare with the intent of preparing, advancing and optimizing workforces.

## CORE COMPETENCIES

- Manufacturing Training and optimization
- Healthcare Training, certification, and licensing
- Soft-skills Training

## DIFFERENTIATORS

- **Customized:** We customize training solutions to fit our stakeholder needs.
- **Feedback-Centric:** Our team has the capability to take the feedback we receive from stakeholders and apply it to present and future programs.
- **Sustainable:** TrainerConnect does not produce programs that require students to pay out of pocket or take out loans. We work closely with states, private funds, and business institutions to ensure that all students leave our programs debt free and workforce ready.
- **Efficient:** TrainerConnect develops educational material that optimizes the time of students, instructors, and employers by focusing on the skills students need to make an impact on their respective workforces.

## PAST PERFORMANCES

- Manufacturing apprenticeship program implementation and maintenance (basic electrical, hydraulic and pneumatic, PLC's)
- Full-staff diversity and inclusiveness training
- Certified thousands of students in various healthcare occupations
- Development of soft skills curriculum to promote a better work environment in manufacturing facilities
